POP CULTURE

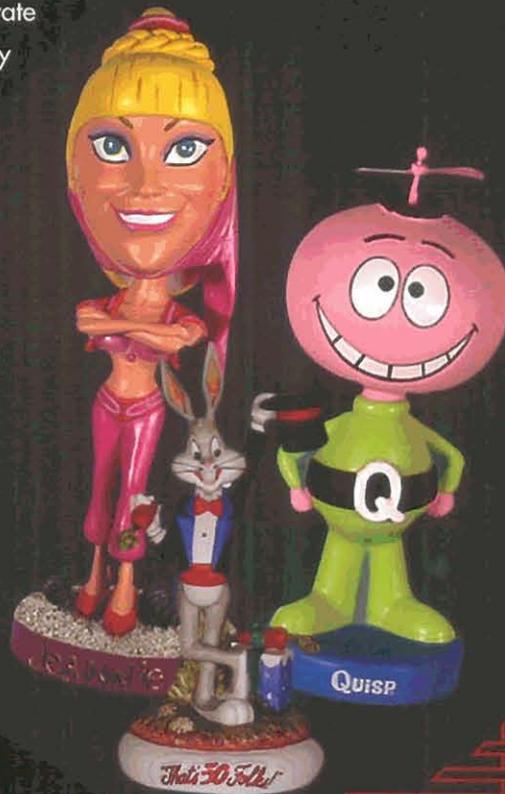

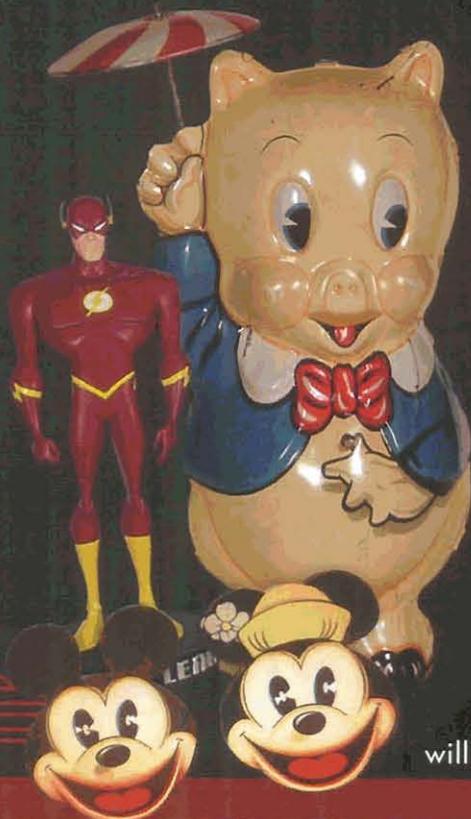

At Geppi's Entertainment Museum (GEM), join us in our "time machine" and experience pop culture as never before. Located in historic Camden Station at Baltimore's premier destination of Camden Yards, the GEM is a charming new addition to Charm City.

Presented as a tribute to the characters, toys and collectibles of our past and present, the GEM is a veritable kaleidoscope of nostalgia. Guests of all ages will enjoy rubbing elbows with the characters that have shaped pop culture and our lives.

Our 17,000 square foot museum is a treasure trove of entertainment for your guests. Our expansive main gallery can accommodate up to 400 for an amazing cocktail event. Our private third floor gallery

is the perfect spot for an intimate sit-down dinner for 80. A truly one-of-a-kind venue, the GEM is the ideal spot for an event that

will be the talk of the town!
