ADDENDUM No. 2
Sound System Maintenance and Repair Services
Camden Yards Sports Complex
MSA Project No. 18-045

Date Issued: February 14, 2018

This Addendum is hereby made a part of the Contract Documents dated January 24, 2018 on the subject work as though originally included therein. The following amendments, additions, and/or corrections shall govern this work. **This form should be acknowledged below and submitted with the Invitation for Bids.**

This Addendum incorporates the following items:

1. Question and Answer.

The solicitation states that the preseason system check must be completed no later than 15 days prior to start of the season. Can you clarify that this is the start of the "regular season" and not the "preseason"?

The start of the "season" is generally the first home game at Oriole Park each year. While generally the first home regular season game is the start of the "season" at Oriole Park, this could theoretically be an exhibition game, a 'World Baseball Classic' game, or other game prior to the Orioles' home Opening Day, as defined by MSA. The season does not refer to any Spring Training activities or games outside of our facility.
