Architectural/Engineering Services
Redevelopment of the Pimlico Racing and Laurel Park Racing Facilities**

Pursuant to the Racing and Community Development Act of 2020, the Maryland Stadium Authority (“MSA”) is authorized to finance up to \$375 million for the planning, design, and construction of the Pimlico Racing and Laurel Park Racing facilities (collectively the “Projects”). The Projects include construction and improvements of the barns, clubhouses, event centers, dormitories or other housing, equine diagnostic and health facilities, museums, training facilities, stables, tracks, infield areas, turf areas, green space, and roadways. MSA is currently seeking a highly qualified Architect/Engineer firm to provide programming, due diligence and study design services for the Projects.

Request for Proposals. Please visit the Maryland Stadium Authority’s website to access a copy of the Request for Proposals. <https://www.mdstad.com/doing-business/contract-opportunities>
