INSTRUCTION TO BIDDERS

BID DUE DATE:

Bids must be received no later than **12:00 P.M., Eastern Standard Time on February 16, 2022**. All bids must be submitted in Building Connected project website. On the day of the bid due date, sealed bids will be received by Turner Construction Company via Building Connected website, at which time they will be publicly opened and read in presence of MSA officials.

PREPARATION OF PROPOSALS:

- All proposals must be submitted on Turner's scope of work, AP-1.
- Each bidder shall utilize the specified manufacturers. Any requests for substitutions (Including "or equals") must be submitted in writing by the RFI procedure and deadline. Acceptance or rejection of a substitution will be issued to all bidders as an addendum. NOTE: Manufacturers listed in the specifications are not considered a substitution.
- Each form of proposal contains a section for alternates and/or unit prices. All alternate prices must be completed with a dollar value. Blanks, not applicable (n/a), no effect, etc. in these portions of the form of proposal shall be construed to indicate that the particular alternate shall be performed without increase to the contract price as they relate to the scope of the trade package.
- Unit prices which do not affect the work of your trade may be filled in "not applicable (n/a)". "Not applicable or blanks in these portions of the form of proposal shall be construed to indicate that the unit price is not applicable as they relate to the scope of the trade package.

- All lines on the bid form must be completed. All items which do not apply to the work in the specified bid package, must be filled in with a dollar amount (n/a or no bid is considered \$0 and can be grounds for bid dismissal).
- Proposals shall not contain any recapitulations of the work to be done. Alternate proposals will not be considered unless called for. Oral proposals or modifications will not be considered.
- Any Bidder may withdraw his proposal, either personally or by fax or written request, at any time prior to the scheduled closing time for receipt of proposals.
- All proposal forms submitted by a bidder requiring a bidder's signature must bear an original signature signed in ink. Proposals submitted without original signatures will be rejected.
- UPLOAD TO BUILDING CONNECTED

SUPPLEMENTAL PROPOSAL INFORMATION

- **MBE Participation:** Attention of all bidders is called to provisions of State Law requiring bidders to participate on providing MBE participations to meet the project overall goal of 30% with sub-goals of 11% Women-Owned and 8% African American. MBE firms must be MDOT certified. (See information on Exhibit A).
- **MD Workforce Development Program:** (See Information on Exhibit B).

AWARD OR REJECTION:

- Turner Construction Company will receive and review all Bids with the Project Team and MSA officials. The right to reject any and all bids, to waive any informalities in, or to make any award to other than the lowest responsible bidder, should it be deemed to be in the best interest of MSA and Turner Construction Company and in accordance with Law, are herewith reserved.
- All proposals shall be good for ninety (90) days from date of opening.
- For the purpose of determining the lowest responsible bidder the MSA shall compare all base bids plus any add or any deduct Alternate Bid items. Unit prices set forth in the proposal shall not be considered in determining the lowest responsible bidder.
- MSA and Turner Construction Company reserves the right to accept or reject any and all Alternate Bid Items in any order.

ADDENDA

Any Addenda issued during the time of bidding, or forming a part of the Contract Documents loaned to the Bidder for the preparation of his proposal, shall be covered in the proposal, and shall be made a part of the Contract. Receipt of each Addendum shall be acknowledged in the proposal.

WAGE RATES

- It is hereby agreed by the parties to this contract that all laborers, workmen and mechanics employed on the work done in performance of said contract shall be paid not less than the rate of wages listed on the current prevailing rate schedule issued by the State of Maryland for the trade or occupation of such laborer, workmen, or mechanics, and any supplements thereto.
- The wage rates and supplemental benefits to be paid such laborer, workmen or mechanics shall always be those prevailing at the time the work is being performed.
- It is the responsibility of the Contractor to remain familiar with the currently applicable schedule.
- Should the Contractor employ laborers, workmen or mechanics engaged in any trade for which a wage rate is not stipulated in the attached schedule, or any supplements thereto, he shall obtain the appropriate wage rate from the State of Maryland before employing the laborer, workman or mechanic.

- If a Contractor or sub-contractor has had one final determination by the Maryland State Department of Labor that it willfully failed to pay or provide the prevailing rate of wages or supplements to its employees, the contractor or sub-contractor will be ineligible to tender a bid.

Upon receipt of this Invitation to Bid, please reply to the Building Connected invitation or email a response to Ajmir Habib at ahabib@tcco.com confirming your intention to submit a proposal or advise if your firm is unable to submit a proposal.

The Project Team thanks you for your interest in this project. We look forward to receiving your proposal.

Sincerely,

Mark Armstrong
