Questions and Answers No.1

	Question	Answer
1.	Sections 2 and 3 of the RFP list "Erosion and Sediment Control" in the scope items. However, these items are typically handled by the MDE or associated municipal entity. Can you confirm whether the selected Offeror will actually be responsible for this scope item?	Confirmed, as indicated in Section 3 of the RFP. MDE does approve the Standard Erosion and Sediment Control plans. However, MSA reserves the right to request compliance inspections from the Offeror throughout the course of the project.
