Project Overview:

The Maryland Stadium Authority is leading a comprehensive redevelopment of the Pimlico Race Course to transform it into a year-round, world-class racing and community destination.

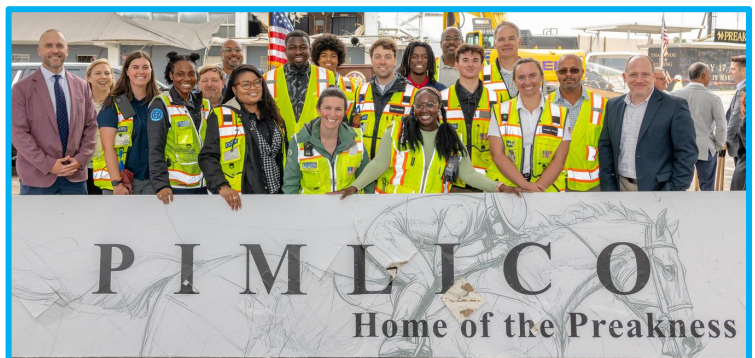

In partnership with McKissack & McKissack and THG Companies, Clark Construction is leading construction management services. Design by Ayers Saint Gross, Populous Holdings, and RK&K.

Upcoming Construction Activities

- Preventative pest control measures are ongoing and will continue throughout demolition and construction.
- Structural demolition of barns along Belvedere Road and Winner Avenue is anticipated to be complete in September.
- Full demolition of the Grandstand and Clubhouse structures began in August and will continue throughout the fall.
- Park Heights Renaissance Clean & Green Team has partnered with THG Companies and Clark Construction to help manage the upkeep of the project site perimeter.

Anticipated Outages & Impacts
