Project Overview:

The Maryland Stadium Authority is leading a comprehensive redevelopment of the Pimlico Race Course to transform it into a year-round, world-class racing and community destination.

In partnership with McKissack & McKissack and THG Companies, Clark Construction is leading construction management services. Design by Ayers Saint Gross, Populous Holdings, and RK&K.

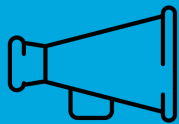

Upcoming Construction Activities

- Jobsite setup has been completed, temporary fencing has been installed, site trailers have arrived and temporary utilities are connected
- Preventative pest control measures are ongoing and will continue throughout demolition and construction.
- Mechanical, electrical, and other utility systems within the Pimlico facility have been made safe for demolition.
- Demolition of barns along Belvedere Road and Winner Avenue began in late July. Structural demolition of barns along Belvedere Road and Winner Avenue is anticipated to be complete in August.
- Demolition of the Old Grandstand began in late July and full demolition of the Grandstand and Clubhouse structures are expected to commence in August.

Anticipated Outages & Impacts

- None planned at this time.
