Description:

About the Author Kerri Rivera is a native of Chicago, but has the lived the last 18 years of her life in Puerto Vallarta, Mexico with her husband. Both of her sons were born there, and 12-year-old Patrick is currently in autism recovery. Kerri is the founder of Autism02, a non-profit autism clinic based on what is formerly known as the Defeat Autism Now! approach. Located in Puerto Vallarta, the clinic opened in 2006. Kerri is the clinic s biomedical consultant as well as a consultant for Curando El Autismo (Latin America), and Venciendo el Autismo (Venezuela). At the request of Dr. Bernard Rimland, she was responsible for translating the Defeat Autism Now! protocol to Spanish and donating it to the Autism Research Institute, so it could be applied

throughout Latin America. Since then she has helped over 3,500 families in over 44 countries to improve the lives of their children on the autism spectrum. She has become the foremost expert on the use of CD (chlorine dioxide) for spectrum disorders. Since the addition of CD to the biomedical protocol she has seen 93 children recover from autism in the past 2.5 years. Since 2007 Kerri has lectured internationally on the Biomedical Protocol for autism and CD for autism. She has been featured on the Mother Cub Show, Thought for Food, Enlightened Health Radio, Voice America, and The Robert Scott Bell show. She is the Mexican Liaison for AutismOne. Kerri will graduate as a Certified Homeopath in June of 2013.
