

*House Education & Economic Development Subcommittee
February 6th, 2019*

*Senate Education, Business & Administration Subcommittee
February 7th, 2019*

The Department of Legislative Services (DLS) recommends that MSA brief the committees on its strategies to manage any additional workload realized from the Building Opportunities Act of 2019.

- MSA expects capacity availability for additional work in FY21
- MSA supplements staffing contractually in accordance with the workload
- MSA may need to increase its current staffing level

THE MARYLAND STADIUM AUTHORITY

Mission

- To plan, finance, build and manage sports and entertainment facilities in Maryland.
- Provide enjoyment, enrichment, education, and business opportunities for citizens.
- Develop partnerships with local governments, universities, private enterprise and the community.

Priorities

- Safety and security
- Fiduciary responsibility
 - Financial management
 - Property management
- Diversity of stadium events
- On-time and on-budget construction management

What We Do

1. Operate and maintain Camden Yards Sports Complex real estate assets on behalf of the State of Maryland.
2. Oversee feasibility studies and construction projects for local municipalities or state agencies upon request.
3. Oversee Baltimore City Schools Construction Program (21st Century Schools).
4. Oversee Project C.O.R.E. demolition program.
5. Promote the use of sports-related facilities across Maryland to foster economic development.

HIGHLIGHTS

This year our agency's trophy case grew, as employees, events, projects and stadiums were highlighted with multiple awards.

- 2018 USA Cycling Amateur Road Nationals: Maryland Tourism Council *Visionary Impact & Sports Destination Management 2018 Champions of Economic Impact in Sports Tourism*
- Ashley Harper Cottrell, Project Manager, Maryland Sports/Creative & Web Manager, MSA: *2018 Connect Sports Game Changers & 2018 Daily Record Leading Women*
- Dorothy I. Height Elementary School: AIA Baltimore & the Baltimore Architecture Foundation *2018 Social Equity Award*
- Governor's Challenge: Sports Destination Management *2018 Champions of Economic Impact in Sports Tourism*
- Lisa Johnson, Manager, Compliance & Procurement: Maryland Minority Contractors Association *2018 HONOREE Minority Outreach*

SECURITY & PUBLIC SAFETY

- ✓ Participated in the Maryland Department of Health's Opioid Overdose Response Program.
- ✓ Partnered with University of Maryland Medical Center's Shock Trauma doctors and nurses to provide "Stop the Bleed" training to staff.
- ✓ Offered Maryland State Police's Civilian Response to Active Shooter Events recurring training for staff and CYSC tenants.
- ✓ Conducted scenario based Tabletop Exercises to test the emergency preparedness and response coordination of federal, state and local public safety agencies plus stadium partners during a crisis.
- ✓ Hosted state and federal agencies for a demonstration by ISM Connect / Global Solar Solutions for the use of networked high-definition smart screens and security cameras to provide contextual live event advertising and actionable insights for security such as facial recognition to identify banned or prohibited persons.

MAINTAINING REAL ESTATE ASSETS

Oriole Park at Camden Yards

MSA obtained Leadership in Energy and Environmental Design (LEED) certifications for both Oriole Park at Camden Yards LEED Gold and the B&O Warehouse LEED Silver from the U.S. Green Building Council (USGBC). These certifications demonstrate year-round sustainable activities and practices including waste management, recycling, paperless tickets, reduced energy usage and electrical consumption. The project, fully funded by MSA, supports our commitment to sustainability at the CYSC (in 2012, M&T Bank Stadium received a LEED Gold certification, the first outdoor professional sports venue to earn the recognition.) Oriole Park is the fourth MLB stadium to achieve LEED for Existing Buildings Operations + Maintenance Gold certification.

The Orioles announced that, after attracting more than 70 million visitors to downtown Baltimore and the state of Maryland to enjoy baseball at iconic Camden Yards, the ballclub will partner with Live Nation to present legendary musician Billy Joel in an historic, first-ever concert held Friday, July 26 at the ballpark.

M&T Bank Stadium

M&T Bank Stadium approached its 20th year with ongoing renovations self-funded by the Baltimore Ravens plus infrastructure improvements by the MSA. The three year, \$120 million project aims to deliver unmatched fan entertainment with 4K ultra-high definition video displays, end zone and corner sky suites, new sound system, escalator service to all levels, enhanced Wi-Fi, upgraded concession stands and bar/lounge areas with improved kitchen facilities throughout.

MARYLAND SPORTS

Maryland's Sports Commission enhances Maryland's economy, image and quality of life through the attraction promotion, retention and development of sporting events, small and large. Maryland Sports works alongside county partners ([TEAM Maryland](#)), national governing bodies, venues, various sports groups and municipalities to enhance sport tourism throughout the state ([FY18 Results: 348+ events impacted, generating over \\$194.6 million in direct spending](#)).

Sport Business Recruitment

- Maryland Sports partnered with US Lacrosse and Visit Baltimore to produce a winning bid for the [2021 FIL Women's World Cup](#); the event will be held at Towson University in June 2021.
- The [2026 FIFA World Cup™](#) is also being pursued by Maryland Sports, as they secured a spot for Baltimore in the winning North American effort to host the event in 2026. A decision on future match and ancillary event sites to be made in late 2020.
- Maryland Sports along with multiple stakeholders won the right from the United States Equestrian Federation to host next [CCI4*](#) (Concours Complet International) - a prestigious eventing competition - at Fair Hill. After a small delay on the international level to reevaluate the star system of equestrian events, the group was officially awarded the next/newest CCI5* by FEI (International Federation for Equestrian) in the spring of 2018. The inaugural [CCI5*](#) will be held in October 2020.

Maryland Sports Youth & Amateur Sports Grant Program

- Maryland Sports and TEAM Maryland partners fought hard during the 2018 legislative session to ensure that the [Maryland Sports Youth & Amateur Sports Grant Program](#) (\$350k) was funded in the BRFA. TEAM Maryland partners, Event Rights Holders, National Governing Bodies and other key stakeholders ended FY18 in preparation of the inaugural launch of the much anticipated program. The program collected 40+ applications requesting over \$500k; 32 applications met the criteria, were approved and have received funds. The [funds awarded represent the potential of over \\$50 million in direct spending on Maryland's economy](#).

Sport Tourism Event Hosting

- Maryland Sports successfully co-hosted the [2018 USA Cycling Amateur Road National Championships](#) with Visit Hagerstown-Washington County CVB this past July. The event was made possible by the [Maryland Sports Youth & Amateur Sports Grant Program](#) and will return in June 2019. The 2018 event won the Maryland Tourism Coalition's Visionary Impact Award at the MTTs .
- The [Star Worlds Championship](#) traveled to Oxford in October 2018 with Maryland Sports as a sponsor of the world class sailing event with over 13 countries represented. [IRONMAN Maryland](#) in Cambridge, which signed a five year extension to continue it Maryland, ranks very competitively annually as the [#1 in overall global athlete satisfaction](#) along with other top 10 rankings.
- Maryland Sports created an event that they own and operate, the [Maryland Sports Spelling Bee](#). In partnership with the Scripps National Spelling Bee in National Harbor, the Maryland Sports Spelling Bee was created to serve as a qualifying spelling bee for 10 counties and the City of Annapolis. The winner of the event went on to compete at the national event, one of 11 students to represent Maryland. The goal of the Maryland Sports Spelling Bee to allow every student across the state to participate in the Scripps program, ultimately have at least one school from each county participate and enhance Maryland's presence at the national event.
- Other events Maryland Sports significantly impacted: Governor's Challenge ([largest high school holiday basketball tournament in the country](#)), 10k Across the Bay, Preakness, Dutta Corp. CCI3/2*Fair Hill International, SAC Columbia Invitational, US Quidditch Mid-Atlantic Championships, USSSA Eastern World Series, FLW Tournament, Athlex Baseball Nationals, USA Fencing 2018 Women's Sabre World Cup, USA Field Hockey National Summit, US Lacrosse LAXCON, Baltimore and Frederick Running Festivals and more.

Looking ahead to May, [NCAA Women's Lacrosse National Championship](#) is returning to Maryland for the next 4 years. Maryland Sports and their TEAM Maryland partners strive for and continue to pursue excellence in the sport tourism industry annually impacting ALL of Maryland through sports.

CAPITAL PROJECTS & STUDIES

Current Projects

FAIR HILL SPECIAL EVENT ZONE

- **Request:** The Maryland Department of Natural Resources requested MSA provide design and engineering services for site improvements at Fair Hill Natural Resources Management Area in anticipation of hosting a premier CCI5* three-day equestrian eventing competition. In addition to the State's investment, funds are being raised through the Fair Hill Foundation, Inc.
- **Budget:** \$ 20 million (50/50 public and private funds)
- **Timeline:** TBD

MDOT MTA / MARC CAMDEN STATION REPLACEMENT PROJECT

- **Request:** The Maryland Transit Administration (MDOT MTA) requested MSA perform project management services to redevelop the MARC Camden Station located on the east side of the Warehouse. The project, fully funded by MDOT MTA, is underway.
- **Budget:** \$ 7.2 million (\$ 6 million from Federal Highway Administration TAP grant)
- **Timeline:** TBD

NEW PEDESTRIAN BRIDGE NORTH BETHESDA CONFERENCE CENTER PARKING STRUCTURE

- **Request:** Upon completion of the parking structure, Montgomery County requested MSA design and construct a pedestrian bridge to connect the garage to the conference center with remaining funds. The project is under construction.
- **Budget:** \$ 2,307,680
- **Timeline:** TBD

OCEAN CITY CONVENTION CENTER EXPANSION

- **Request:** Governor Hogan authorized MSA, in conjunction with the Town of Ocean City, to move forward with funding the final phase of the addition and renovation of the Roland E. Powell Ocean City Convention Center. MSA anticipates receiving approval of funding to complete the design and construction of the expansion project.
- **Budget:** \$ 34,018,885
- **Timeline:** 2021

Current Studies

BALTIMORE CITY CONVENTION CENTER RENOVATION / EXPANSION STUDY- PHASE 1 & 2

- **Request:** At the request of the City of Baltimore, MSA managed the Baltimore City Convention Center (BCCC) Phase 1 study to evaluate venue combinations of a convention center, hotel and arena. Building upon the Phase 1 study's recommended BCCC expansion and renovation with a new hotel, Phase 2 will outline preliminary design and a cost estimate. The Phase 2 study is underway.
- **Budget:** \$ 475,200 (Includes unspent funds from Phase 1, \$ 422,098)
- **Timeline:** Spring / Summer 2019

CAPITAL PROJECTS & STUDIES

BALTIMORE STATE CENTER ALTERNATIVE LAND USE STUDY

- **Request:** Maryland Department of General Services' requested MSA to oversee a multi-step solicitation, which would engage the private sector in the development of the State Center site. The first, of a three step process, the expression of interest, has started and the responses are under review.
- **Budget:** \$79,080
- **Timeline:** TBD

CIRCUIT COURT OF BALTIMORE CITY STUDY OF ALTERNATE USE PROGRAMS

- **Request:** The Baltimore City Administrative Judge requested MSA to conduct research and analysis of potential alternative uses for the Circuit Court Complex. The final draft is under review.
- **Budget:** \$40,460
- **Timeline:** Spring 2019

HAGERSTOWN MiLB BALLPARK – MARKET AND SITE ASSESSMENT

- **Request:** The City of Hagerstown requested MSA to manage a preliminary due diligence, market analysis, facility programming and site assessment study for a proposed new minor league ballpark. The study is now underway.
- **Budget:** \$36,000.00
- **Timeline:** Spring 2019

PIMLICO RACE COURSE STUDY, PHASE 2

- **Request:** MSA received and approved a request from the Maryland Racing Commission to manage Phase 2 of the Pimlico Race Course Study. Given the findings of Phase 1 study, Phase 2 identified potential development options that would create an optimal venue for the Preakness Stakes with year-round, non-racing options at Pimlico. Phase 2 study was completed in December 2018, and received a positive reception from the stakeholders and press.
- **Budget:** \$426,335
- **Timeline:** Completed

BALTIMORE CITY PUBLIC SCHOOLS CONSTRUCTION

The 21st Century School Buildings Program continues to create inspiring educational and recreational environments in Baltimore City. The program is a partnership between MSA, Baltimore City Public Schools, the City of Baltimore, and the Interagency Committee on Public School Construction. MSA expects to build or renovate 27 - 28 schools in this historic billion dollar building program that may serve as catalysts for urban renewal and local employment. MSA is delighted that many of these schools have already received environmental, engineering and design awards.

- Currently, of the eleven (11) Year 1 schools, two (2) opened in the summer of 2017, two (2) opened in the spring of 2018, five (5) opened in the summer of 2018, one (1) is in construction and one (1) is completing final design.
- Of the seventeen (17) Year 2 schools, four (4) are under construction, seven (7) are in design, three (3) are in procurement for design and three (3) in the feasibility study phase.
- MSA issued the second series of revenue bonds for the Baltimore City Public Schools Construction and Revitalization program. The bond sale was for \$426 million and successfully generated an additional \$70 million in premium.
- With regard to Local Hiring, there have been 257 position commitments for hiring Baltimore City residents for nine (9) construction sites to date and a student internship initiative has recently been incorporated into the program.
- MSA also entered into an Owners Controlled Insurance Program (OCIP). MSA not only expects cost savings from this initiative but also a greater pool of trade contractors and safer project sites. Currently, the Year One schools are 5% below budget.

PROJECT C.O.R.E.

Project C.O.R.E.- Creating Opportunities for Renewal and Enterprise

Project C.O.R.E. is a partnership between the Maryland Department of Housing and Community Development, Housing Authority of Baltimore City with the MSA to demolish the vacant properties that are a blight on Baltimore's communities.

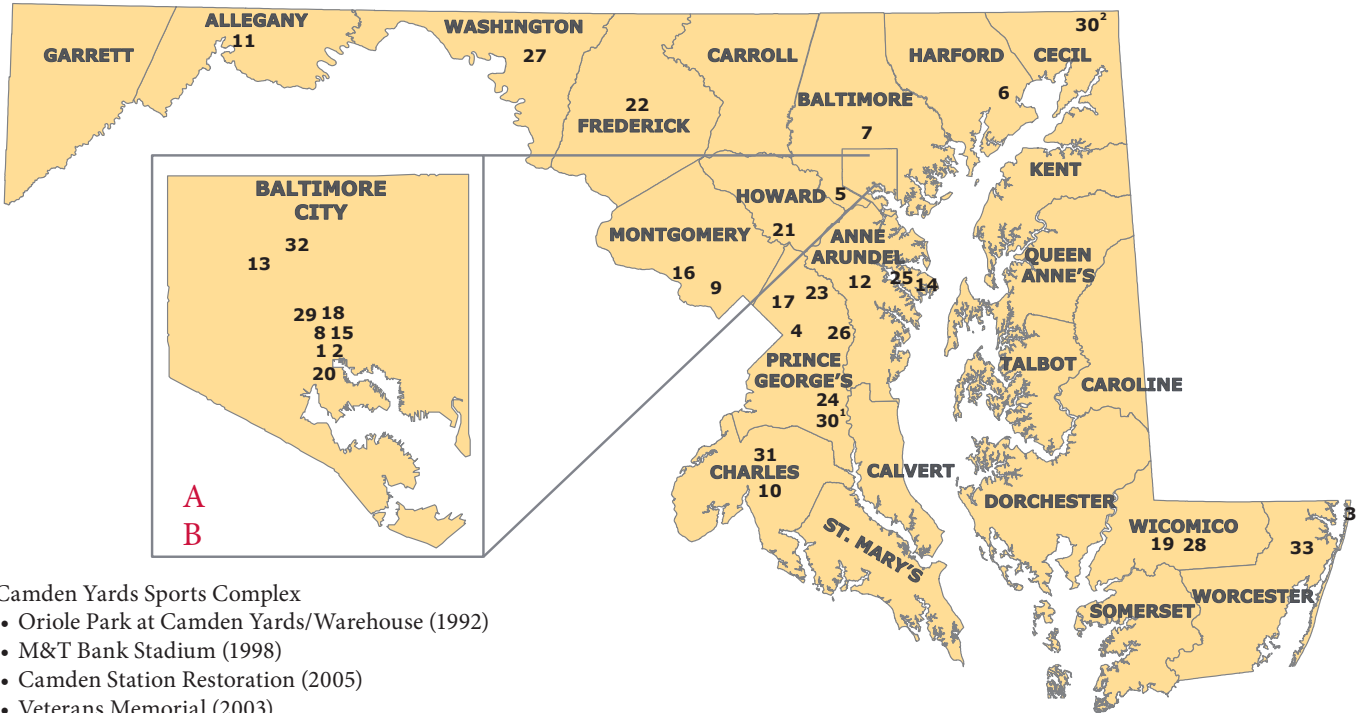

- State provided \$75 million for this initiative, supported by an additional \$18 million in funds from the City of Baltimore.
- Combined demolition efforts have removed more than 1,700 blighted units and cleared the way for new green space and mixed use development. According to DHCD, total 4,000 units through FY2019.
- Prioritized removal of 500 properties the State and City consider to be significant, contributing factors to crime in Baltimore.
